

**1^{er} Symposium National de l'Académie Algérienne
des Sciences et des Technologies sur les Nanotechnologies
26-27 Juin 2022-UMBB-**

Offer for Articles Submission for a special Issue in COMPTES RENDUS DE L'ACADÉMIE des Sciences (FR), <https://comptes-rendus.academie-sciences.fr/chimie>

Guest Editor: Azzedine Bousseksou
Azzedine.bousseksou@lcc-toulouse.fr

A selection of papers will be proposed for a special issue entitled *Chemistry & Nanotechnology*. The participants to the Symposium are invited to submit their papers to the guest editor (Azzedine.bousseksou@lcc-toulouse.fr) for a pre-selection, no later than September 30, 2022. The pre-selected papers will follow the referring international process of the journal. The accepted articles will be thus published in the special issue of the journal. An example as a template is given below.
